

Roll out the red carpet...

Award-winning products at an award-winning venue. Stocking your shelves with acclaimed and recommended products is a winning strategy to please customers. In this world-class, award-winning venue of Sydney Showground, we bring many recognised products.

Getting Lost at stand 2P6 secured a trifecta at the Auckland Business Awards, winning both the *Marketing and Strategy & Planning* awards, as well as the *Supreme Business Excellence Award*. Owner Cat Macnaughtan said the win was validation of their community-led approach, coupled with strong marketing investment, which has seen sales of the adventure card game grow by 150% last year.

Saucy Wench Gourmet Food's tasty Lemongrass Tamarind Sauce won Bronze, and their Garlic and Eschallot Vinaigrette took *Best in Show* at the Melbourne Royal Australian Food Awards for *Best Vinegar or Dressing*.

Green Sambal won Silver at the Melbourne Royal Show and Bronze at the Sydney Royal Show. For many reasons, they are well worth a visit and taste test at stand 1N1.

In 2020, **Eco Seed to Skin** became one of Business Australia's Top 10 Champions. Their scrub cleanser won Silver in the *Clean & Conscious Awards*, and their seaweed hand and body lotion won Gold from she.com. These awards are a testament to their commitment to creating products that work while being mindful of the environment. Visit them at stand AM40.

Taste of Australia spice pack from Australian Bush Spices

Australian Bush Spices has won multiple packaging awards for the innovative design style of their Taste of Australia products. Plus, all their spice mixes, jams, relishes, and sauces taste amazing. Check out all Australian Bush Spices products at stand 1K13.

Candle Bark Creations are one of the ten winners in the Australian Gift Guide's *Favourite Stationery, Cards and Wrapping* wholesaler category. For over 20 years, Candle Bark Creations has designed, manufactured, and distributed greeting cards with personality. Based in Alexandria, NSW, their passionate team of designers is continuously creating new cards, embracing new ideas and trends to suit every kind of shop. See the latest styles at stand 1H6.

Candle Bark Creations cards

Many are seeking healthy alternatives for wellness and are drawn to the unique benefits of hemp oil. Special recognition goes to **Dr. Chill**, whose premium, certified organic hemp products were featured in the November 2024 issue of *British Vogue*. Their soothing balms and calming oils are sustainably grown and handcrafted in-house in the Byron Bay hinterland. Visit Dr. Chill at stand AM12.
